If your organization has previously attended Harvest Fest, and would like to register electronically, please print and fill out this form and email it to harvestfest@trinitybaptist.info. Then, you can pay online under our registration tab. Ignore the church registration form, but scroll towards the bottom and click on the Pay Online button. It is geared towards churches, but if you fill it out with your organization information as best as possible, it will be matched to your registration form. These must be received by our registration deadline to be accepted.
